

**CITY OF SUGAR LAND**  
**Engineering Department**

**CONSTRUCTION NOTIFICATION**

**CIP DR1504 – Sugar Creek Phase III Drainage Improvements  
Improvements within Golf Course and Longview Dr.**

The City Council recently authorized a construction contract with Triple B Services, L.L.P, for the above referenced project. Construction work is expected to begin in September, 2016. The project is designed to alleviate severe street ponding/flooding in the Sugar Creek/Longview Dr. area. As part of this project, existing pavement and waterline along Longview Dr. are also planned to be replaced, since it has reached its design life.

Although, the total duration for this project is approximately 9-months, construction will begin on the south end located within the Golf Course (shown in green on the Project Vicinity Map located on the back of this notification). Construction will then further extend north along Longview Dr. Construction work for the entire segment of the project is expected to be substantially completed by summer 2017.

Construction activities are scheduled between 7am and 6 pm, Monday thru Saturday. There will be oversight over construction by the City's Engineering Staff, and coordination with nearby residents. During construction, there will be; Traffic Detours, Temporary Street Parking and Access Restrictions, Temporary Water Supply Interruptions, Etc. As construction progresses along Longview Dr., City staff will contact and notify residents that are being impacted, in advance of any planned construction work and service interruptions.

For more information about this project, please contact Shashi Kumar, P.E., or Fabiola de Carvalho at (281) 275-2780, or email us at [skumar@sugarlandtx.gov](mailto:skumar@sugarlandtx.gov) or [fdecarvalho@sugarlandtx.gov](mailto:fdecarvalho@sugarlandtx.gov).

For any future updates, and construction alerts, please sign-up under "Notify Me" tab on the City's web site using the following link: <http://www.sugarlandtx.gov/CivicAlerts.aspx?CID=16>

Your patience and cooperation is greatly appreciated during this construction period.
