

## **SUGAR LAND POLICE DEPARTMENT**

### **Tow Truck Rotation List Pre-Application Meeting**

The City of Sugar Land will soon accept applications from tow truck companies to create a new rotation list for non-consent towing services. The new rotation is expected to begin in July. The City non-consent towing program is a two-year term. A pre-application meeting will be held on May 16, 2018, at 10:00 a.m. in the Sugar Land Police Department training room to discuss the application requirements, selection process and answer any questions prospective applicants may have about the process. All interested companies are highly encouraged to attend. Due to limited space, we request only one representative from each company if possible.
