

Fort Bend County Flood Insurance Workshop for Industry Professionals

Flood risks are changing in Fort Bend County. Revised Preliminary Flood Insurance Rate Maps were released March 29, 2019. Join FEMA, TDI, and others for an insurance workshop designed for industry professionals.

Please share with industry professionals in your area:

To help you better understand where the changing risk on the new flood maps and their impact, Fort Bend County has partnered with FEMA and TDI to hold two Insurance Workshops in the county. These workshops will include discussions about:

- the Newly Mapped Procedure and Grandfather rating options,
- impacts of reform legislation and changes to the National Flood Insurance Program,
- updates from TDI, and
- using online tools and resources to assist you and your clients

This information is valuable to insurance agents, real estate professionals, lenders, builders, and surveyors.

There is no charge for the workshops and we encourage you to share information with others in your office. Space is limited, so it is important that you register to reserve your seat. Two hours of Continuing Education Credits (CECs) are being offered for insurance agents, realtors and Certified Floodplain Managers. Doors will open at ½ hour before the workshop begins to allow us time to collect information for CECs and seating of our guests.
