RE: Insurance Services Office Rating Effective November 1, 2013

The City of Sugar Land maintains a Public Protection Class rating of 2 in the incorporated city limits, issued by the Insurance Services Office, Inc (ISO) in its most recent rating. The ISO provides insurance companies reliable, up-to-date information about a municipality's fire protection services to help establish appropriate fire insurance premiums for residential and commercial properties. Communities are rated on a scale of 1 to 10, with one being the best rating obtained.

For non-incorporated residents of Fort Bend County within the Sugar Land Fire Department's response area that live within 5 road miles of a Sugar Land Fire Department fire station and within 1,000 feet of a fire hydrant, the Public Protection Class rating is 2.

For non-incorporated residents of Fort Bend County within the Sugar Land Fire Department's response area that live within 5 road miles of a Sugar Land Fire Department fire station, but beyond 1,000 feet of a fire hydrant, the Public Protection Class is 8B.

The ISO rating took effect November 1, 2013.
