If the date for payment of the principal of or interest on any Certificate is not a Business Day, then the date for such payment shall be the next succeeding Business Day, with the same force and effect as if made on the original date payment was due.

8. Successor Registrars. The City covenants that at all times while any Certificates are outstanding it will provide a commercial bank or trust company organized under the laws of the United States or any state and duly qualified and legally authorized to serve as Registrar for the Certificates. The City reserves the right to change the Registrar on not less than 60 days written notice to the Registrar, so long as any such notice is effective not less than 60 days prior to the next succeeding principal or interest payment date on the Certificates. Promptly upon the appointment of any successor Registrar, the previous Registrar shall deliver the Register or copies thereof to the new Registrar, and the new Registrar shall notify each Owner, by United States mail, first class postage prepaid, of such change and of the address of the new Registrar. Each Registrar hereunder, by acting in that capacity, shall be deemed to have agreed to the provisions of this Section.

9. Special Record Date. If interest on any Certificate is not paid on any Interest Payment Date and continues unpaid for thirty (30) days thereafter, the Registrar shall establish a new record date for the payment of such interest, to be known as a Special Record Date. The Registrar shall establish a Special Record Date when funds to make such interest payment are received from or on behalf of the City. Such Special Record Date shall be fifteen (15) days prior to the date fixed for payment of such past due interest, and notice of the date of payment and the Special Record Date shall be sent by United States mail, first class postage prepaid, not later than five (5) days prior to the Special Record Date, to each affected Owner of record as of the close of business on the day prior to the mailing of such notice.

10. Ownership; Unclaimed Principal and Interest. The City, the Registrar and any other person may treat the person in whose name any Certificate is registered as the absolute Owner of

such Certificate for the purpose of making payment of principal or interest on such Certificate, and for all other purposes, whether or not such Certificate is overdue, and neither the City nor the Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Certificate in accordance with this Section shall be valid and effectual and shall discharge the liability of the City and the Registrar upon such Certificate to the extent of the sums paid.

Amounts held by the Registrar which represent principal of and interest on the Certificates remaining unclaimed by the Owner after the expiration of three years from the date such amounts have become due and payable shall be reported and disposed of by the Registrar in accordance with the applicable provisions of Texas law including, to the extent applicable, Title 6 of the Texas Property Code, as amended.

11. Registration, Transfer, and Exchange. So long as any Certificates remain outstanding, the Registrar shall keep the Register at its principal payment office in Dallas, Texas, and, subject to such reasonable regulations as it may prescribe, the Registrar shall provide for the registration and transfer of Certificates in accordance with the terms of this Ordinance.

Each Certificate shall be transferable only upon the presentation and surrender thereof at the principal payment office of the Registrar in Dallas, Texas, duly endorsed for transfer, or accompanied by an assignment duly executed by the registered Owner or his authorized representative in form satisfactory to the Registrar. Upon due presentation of any Certificate in proper form for transfer, the Registrar shall authenticate and deliver in exchange therefor, within three Business Days after such presentation, a new Certificate or Certificates, registered in the name of the transferee or transferees, in authorized denominations and of the same maturity and aggregate principal amount and bearing interest at the same rate as the Certificate or Certificates so presented.

All Certificates shall be exchangeable upon presentation and surrender at the principal payment office of the Registrar in Dallas, Texas, for a Certificate or Certificates of like maturity and interest rate and in any authorized denomination, in an aggregate amount equal to the unpaid principal amount of the Certificate or Certificates presented for exchange. The Registrar shall be and is hereby authorized to authenticate and deliver exchange Certificates in accordance with the provisions of this Section. Each Certificate delivered in accordance with this Section shall be entitled to the benefits and security of this Ordinance to the same extent as the Certificate or Certificates in lieu of which such Certificate is delivered.

The City or the Registrar may require the Owner of any Certificate to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Certificate. Any fee or charge of the Registrar for such transfer or exchange shall be paid by the City.

12. Mutilated, Lost, or Stolen Certificates. Upon the presentation and surrender to the Registrar of a mutilated Certificate, the Registrar shall authenticate and deliver in exchange therefor a replacement Certificate of like maturity, interest rate, and principal amount, bearing a number not contemporaneously outstanding. If any Certificate is lost, apparently destroyed, or wrongfully taken, the City, pursuant to the applicable laws of the State of Texas and in the absence of notice or

knowledge that such Certificate has been acquired by a bona fide purchaser, shall authorize and the Registrar shall authenticate and deliver a replacement Certificate of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding.

The City or the Registrar may require the Owner of a mutilated Certificate to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including the fees and expenses of the Registrar.

The City or the Registrar may require the Owner of a lost, apparently destroyed or wrongfully taken Certificate, before any replacement Certificate is issued, to:

- (1) furnish to the City and the Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Certificate;
- (2) furnish such security or indemnity as may be required by the Registrar and the City to save them harmless;
- (3) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Registrar and any tax or other governmental charge that may be imposed; and
- (4) meet any other reasonable requirements of the City and the Registrar.

If, after the delivery of such replacement Certificate, a bona fide purchaser of the original Certificate in lieu of which such replacement Certificate was issued presents for payment such original Certificate, the City and the Registrar shall be entitled to recover such replacement Certificate from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Certificate has become or is about to become due and payable, the City in its discretion may, instead of issuing a replacement Certificate, authorize the Registrar to pay such Certificate.

Each replacement Certificate delivered in accordance with this Section shall be entitled to the benefits and security of this Ordinance to the same extent as the Certificate or Certificates in lieu of which such replacement Certificate is delivered.

13. Cancellation of Certificates. All Certificates paid in accordance with this Ordinance, and all Certificates in lieu of which exchange Certificates or replacement Certificates are authenticated and delivered in accordance herewith, shall be canceled and destroyed upon the making of proper records regarding such payment. The Registrar shall furnish the City with appropriate certificates of destruction of such Certificates.

14. Book-Entry System. (a) The Initial Certificate shall be registered in the name of Morgan Keegan & Co., Inc. Except as provided in Section 15 hereof, all other Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such DTC Participant holds an interest in the Certificates, except as provided in this Ordinance. Without limiting the immediately preceding sentence, the City and the Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Certificates, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any amount with respect to principal of, premium, if any, or interest on the Certificates. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Registrar shall be entitled to treat and consider the person in whose name each Certificate is registered in the Register as the absolute Owner of such Certificate for the purpose of payment of principal of and interest on the Certificates, for the purpose of giving notices of redemption and other matters with respect to such Certificate, for the purpose of registering transfer with respect to such Certificate, and for all other purposes whatsoever. The Registrar shall pay all principal of, premium, if any, and interest on the Certificates only to or upon the order of the respective Owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payments of principal, premium, if any, and interest on the Certificates to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Ordinance with respect to interest checks being mailed to the Owner of record as of the Record Date, the phrase "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

15. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the City in its sole discretion, determines that the beneficial owners of the Certificates shall be able to obtain certificated Certificates, or in the event DTC discontinues the services described herein, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Certificates to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Certificates and transfer one or more separate Certificates to DTC Participants having Certificates credited to their DTC accounts, as identified by DTC. In such event, the Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Certificates shall designate, in accordance with the provisions of this Ordinance.

16. Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificates are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Certificates, and all notices with respect to such Certificates, shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations.

17. Optional [and Mandatory] Redemption; Defeasance. The Certificates are subject to optional [and mandatory] redemption as set forth in the Form of Certificate in this Ordinance.

Principal amounts may be redeemed only in integral multiples of \$5,000. If a Certificate subject to redemption is in a denomination larger than \$5,000, a portion of such Certificate may be redeemed, but only in integral multiples of \$5,000. Upon surrender of any Certificate for redemption in part, the Registrar, in accordance with Section 11 hereof, shall authenticate and deliver in exchange therefor a Certificate or Certificates of like maturity, Issuance Date, and interest rate in an aggregate principal amount equal to the unredeemed portion of the Certificate so surrendered.

Notice of any redemption identifying the Certificates to be redeemed in whole or in part shall be given by the Registrar at least thirty days prior to the date fixed for redemption by sending written notice by first class mail, postage prepaid, to the Owner of each Certificate to be redeemed in whole or in part at the address shown on the Register. Such notices shall state the redemption date, the redemption price, the place at which Certificates are to be surrendered for payment and, if less than all Certificates outstanding of a particular maturity are to be redeemed, the numbers of the Certificates or portions thereof of such maturity to be redeemed. Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Registrar for payment of the redemption price of the Certificates or portions thereof to be redeemed, plus accrued interest to the date fixed for redemption. When Certificates have been called for redemption in whole or in part and due provision has been made to redeem the same as herein provided, the Certificates or portions thereof so redeemed shall no longer be regarded as outstanding except for the purpose of receiving payment solely from the funds so provided for redemption, and the rights of the Owners to collect interest which would otherwise accrue after the redemption date on any Certificate or portion thereof called for redemption shall terminate on the date fixed for redemption.

The Certificates may be discharged, defeased, redeemed or refunded in any manner now or hereafter permitted by law.

To pay the debt service coming due on the Certificates prior to receipt of the taxes levied to pay such debt service, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

21. Pledge of Revenues. The revenues, in an amount not to exceed \$10,000, to be derived from the operation of the City's waterworks and sanitary sewer system, after the payment of all operation and maintenance expenses thereof (the "Net Revenues"), are hereby pledged to the payment of the principal of and interest on the Certificates as the same come due; provided, however, that such pledge is and shall be junior and subordinate in all respects to the pledge of the Net Revenues to the payment of all outstanding obligations of the City and any obligation of the City, whether authorized heretofore or hereafter, which the City designates as having a pledge senior to the pledge of the Net Revenues to the payment of the Certificates. The Net Revenues hereby pledged shall be transferred to the Interest and Sinking Fund only if the taxes pledged in Section 20 above are ever insufficient or unavailable for the payment of debt service on the Certificates when due. The City also reserves the right to issue, for any lawful purpose at any time, in one or more installments, bonds, certificates of obligation and other obligations of any kind payable in whole or in part from the Net Revenues, secured by a pledge of the Net Revenues that may be prior and superior in right to, on a parity with, or junior and subordinate to the pledge of the Net Revenues securing the Certificates.

22. Application of Chapter 1208, Government Code. Chapter 1208, Government Code, applies to the issuance of the Certificates and the pledge of the taxes and revenues granted by the City under Sections 20 and 21 of this Ordinance, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Certificates are outstanding and unpaid such that the pledge of the taxes and revenues granted by the City under Sections 20 and 21 of this Ordinance is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

23. Further Proceedings. After the Initial Certificate has been executed, it shall be the duty of the Mayor and other appropriate officials and agents of the City to deliver the Initial Certificate and all pertinent records and proceedings to the Attorney General of the State of Texas, for examination and approval. After the Initial Certificate has been approved by the Attorney General, it shall be delivered to the Comptroller for registration. Upon registration of the Initial Certificate, the Comptroller (or the Comptroller's bond clerk or an assistant bond clerk lawfully designated in writing to act for the Comptroller) shall manually sign the Comptroller's Registration Certificate prescribed herein and the seal of said Comptroller shall be impressed, or placed in facsimile, thereon.

24. Sale; Certificate Purchase Agreement. The Certificates shall be sold and delivered to the Underwriters at a price of \$_____ (representing the par amount of the Certificates (\$_____)), plus net premium of \$_____, less an underwriter's discount of \$_____, plus accrued interest on the Certificates to the date of delivery, in accordance with the terms of a Certificate Purchase Agreement, the form of which is hereby approved by the City Council of the City, which price and terms are hereby found and determined to be the most advantageous reasonably obtainable by the City. The Mayor and other appropriate officials of the City are hereby authorized and directed to execute the Certificate Purchase Agreement on behalf of the City, and the Mayor and all other officers, agents and representatives of the City are hereby

authorized to do any and all things necessary or desirable to satisfy the conditions set out therein and to provide for the issuance and delivery of the Certificates.

25. Federal Income Tax Exclusion.

(a) General Tax Covenant. The City intends that the interest on the Certificates shall be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), and applicable Income Tax Regulations (the “Regulations”). The City covenants and agrees not to take any action, or knowingly omit to take any action within its control that, if taken or omitted, respectively, would cause the interest on the Certificates to be includable in gross income, as defined in section 61 of the Code, for federal income tax purposes. In particular, the City covenants and agrees to comply with each requirement of this Section; provided, however, that the City shall not be required to comply with any particular requirement of this Section if the City has received an opinion of nationally recognized Certificate counsel (“Counsel’s Opinion”) that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Certificates or if the City has received a Counsel’s Opinion to the effect that compliance with some other requirement set forth in this Section will satisfy the applicable requirements of the Code and Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion shall constitute compliance with the corresponding requirement specified in this Section.

(b) No Private Use or Payment and No Private Loan Financing. The City shall certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, that the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be “private activity Certificates” within the meaning of section 141 of the Code and the Regulations promulgated thereunder. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Certificates including interest or other investment income derived from Certificate proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Certificates will not be “private activity Certificates” within the meaning of section 141 of the Code and the Regulations promulgated thereunder.

(c) No Federal Guarantee. The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Certificates to be “federally guaranteed” within the meaning of section 149(b) of the Code and the applicable Regulations thereunder, except as permitted by section 149(b)(3) of the Code and such Regulations.

(d) No Hedge Certificates. The City covenants and agrees that it has not and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Certificates to be “hedge Certificates” within the meaning of section 149(g) of the Code and the applicable Regulations thereunder.

(e) No Arbitrage. The City shall certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, the City will reasonably expect that the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be “arbitrage Certificates” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Certificates including interest or other investment income derived from Certificate proceeds, regulate investments of proceeds of the Certificates, and take such other and further action as may be required so that the Certificates will not be “arbitrage Certificates” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder.

(f) Arbitrage Rebate. If the City does not qualify for an exception to the requirements of section 148(f) of the Code relating to the required rebate to the United States, the City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the “gross proceeds” of the Certificates (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Certificates as may be required to calculate the amount earned on the investment of the gross proceeds of the Certificates separately from records of amounts on deposit in the funds and accounts of the City allocable to other Certificate issues of the City or moneys which do not represent gross proceeds of any Certificates of the City, (ii) calculate at such times as are required by applicable Regulations, the amount earned from the investment of the gross proceeds of the Certificates which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Certificates or on such other dates as may be permitted under applicable Regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Certificates that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

(g) Information Reporting. The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Certificates are issued, an information statement concerning the Certificates, all under and in accordance with section 149(e) of the Code and the applicable Regulations promulgated thereunder.

(h) Continuing Obligation. Notwithstanding any other provision of this Ordinance, the City’s obligations under the covenants and provisions of this Section shall survive the defeasance and discharge of the Certificates.

26. Use of Proceeds. Proceeds from the sale of the Certificates shall, promptly upon receipt by the City, be applied as follows:

(a) Accrued interest in the amount of \$_____ and net premium on the

Certificates in the amount of \$_____ shall be deposited into the Interest and Sinking Fund.

- (b) Certificate proceeds in the amount of \$_____ shall be used to pay the costs of issuance.
- (c) Certificate proceeds in the amount of \$_____ shall be used to pay the Underwriters' compensation.
- (d) Certificate proceeds in the amount of \$_____ shall be used for the purposes described in Section 3 of this Ordinance.
- (e) Any proceeds of the Certificates remaining after making all such deposits and payments, including interest earned on the investment of such proceeds, shall be deposited into the Interest and Sinking Fund.

27. Continuing Disclosure Undertaking. (a) Annual Reports. The City will provide certain updated financial information and operating data to the MSRB annually in an electronic format as prescribed by the MSRB and available via the Electronic Municipal Market Access ("EMMA") system at www.emma.msrb.org. The information to be updated includes all quantitative financial information and operating data with respect to the City of the general type included in the final Official Statement authorized by Section 28 of this Ordinance under the heading "DEBT INFORMATION" and in APPENDIX B. The City will update and provide this information within six months after the end of each fiscal year.

If the City changes its fiscal year, it will submit a notice of such change to the MSRB, and the date of the new fiscal year end prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB).

(b) Material Event Notices. The City shall submit a notice to the MSRB, in a timely manner, of any of the following events with respect to the Certificates, if such event is material within the meaning of the federal securities laws:

- A. Principal and interest payment delinquencies;
- B. Non-payment related defaults;
- C. Unscheduled draws on debt service reserves reflecting financial difficulties;
- D. Unscheduled draws on credit enhancements reflecting financial difficulties;
- E. Substitution of credit or liquidity providers, or their failure to perform;
- F. Adverse tax opinions or events affecting the tax-exempt status of the

- Certificates;
- G. Modifications to rights of holders of the Certificates;
- H. Certificate calls;
- I. Defeasances;
- J. Release, substitution, or sale of property securing repayment of the Certificates; and
- K. Rating changes.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with Section 27(a) of this Ordinance by the time required by such Section.

(c) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except that the City in any event will give notice of any deposit made in accordance with Texas law that causes Certificates no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and the beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall comprise a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, or status or type of operations of the City, if (1) the agreement, as so amended, would have permitted an underwriter to purchase or sell Certificates in the initial primary offering in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate amount of the outstanding Certificates consent to such amendment or (b) a person unaffiliated with the City (such as nationally recognized Certificate counsel) determines that the amendment will not materially impair the interests of the holders and beneficial owners of the Certificates. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates. If any such amendment is made, the City will include in its next annual update an explanation in narrative form of the reasons for the change and its impact on the type of operating data or financial information being provided.

28. Official Statement. The City Council hereby approves the form and content of the Preliminary Official Statement prepared for the initial offering and sale of the Certificates and hereby authorizes the preparation of a final Official Statement reflecting the terms of the Certificate Purchase Agreement and other relevant matters. The use of such Official Statement in the reoffering of the Certificates by the Underwriters is hereby approved and authorized.

29. Related Matters. To satisfy in a timely manner all of the City's obligations under this Ordinance and the Certificate Purchase Agreement, the Mayor or Mayor Pro Tem, the City Secretary or an Assistant City Secretary, and all other appropriate officers and agents of the City are hereby authorized and directed to do any and all things necessary and/or convenient to carry out the terms of this Ordinance.

30. Registrar. The form of agreement setting forth the duties of the Registrar is hereby approved, and the appropriate officials of the City are hereby authorized to execute such agreement for and on behalf of the City.

31. No Personal Liability. No recourse shall be had for payment of the principal or interest on any Certificates or for any claim based thereon, or on this Ordinance, against any official or employee of the City or any person executing any Certificates.

32. Open Meeting. It is hereby officially found and determined that the meeting at which this Ordinance was adopted was open to the public, and that public notice of the time, place and purpose of said meeting was given, all as required by the Texas Open Meetings Act.
