**Please note each type of sign requires a separate application (example: wall signs can be combined for same address and each monument sign must be on different applications.)*

NOTICE

Separate permits are required for all building and sign construction. Except for wind devices, this sign permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced. For wind devices, this sign permit becomes null and void 28 days after issuance.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
