

Search

Overview of search options for City Council agendas posted on or after July 18, 2017.

Meetings Within: Select preset date ranges here. To select a custom date range, click “Custom Date Range”, then enter dates into the “From” and “To” fields.

From: & To: Use these fields to identify the beginning and ending dates for your custom date range. To access these fields, you must select “Custom Date Range” under “Meetings Within”.

The screenshot shows a search form with the following fields and callouts:

- Meetings Within:** A dropdown menu currently showing "Next Month". A blue callout box points to this field.
- From:** A date input field containing "07/14/2017". A green callout box points to this field.
- To:** A date input field containing "08/14/2017". A green callout box points to this field.
- Meeting Type:** A dropdown menu that is currently blank.
- Category:** A dropdown menu that is currently blank. A purple callout box points to this field.
- Containing Text:** A text input field with a help icon. An orange callout box points to this field.
- Search and Clear:** Two buttons at the bottom of the form.

Category: Items are categorized on each agenda to help organize the meeting. If you are looking for a specific category, such as “Contracts” or “Resolutions”, select your category here. If you are not sure which category to select, just leave this field blank.

Containing text: Type in any keywords that you think will help you search for the agenda item. This function will not only search the Agendas and items, but also any supporting documentation that is attached to Agenda items.
