

Virtual National Night Out 2020

A pandemic isn't going to keep Sugar Landers from celebrating National Night Out, a community-building campaign meant to connect residents to police departments and promote neighborhood camaraderie.

In an effort to safely celebrate National Night Out while still abiding by CDC guidelines set forth because of the COVID-19 pandemic, the City is encouraging residents to celebrate with their neighbors virtually over Zoom.

Here's how you can set up a virtual National Night Out in your neighborhood.

How to host a virtual Zoom meeting

1. Head over to <https://www.zoom.us> and click sign in.
 - a. If you don't have a Zoom account already, you can create one [here](#).
2. Once logged in, click "Host a Meeting" and fill out the necessary details like meeting name, date and time, and hit save.
3. Once saved, be sure to copy and paste the invite link with all the necessary information.
4. Send off to your friends and neighbors to join in at your National Night Out party!
