Residential Pre-Release for Electricity

DATE: _____ **APPLICATION #:** _____

ADDRESS: _____

We, the homeowner and electrical contractor, request a pre-release for electrical service. We understand that the issuance of an electrical pre-release in no way grants permission to violate the adopted electrical code, or portion thereof. We further understand that the electrical service may be disconnected for any violation of the code. The electrical contractor and homeowner assume the responsibility for any violation of work that they perform.

A pre-release inspection is required the next business day after work is performed.

The undersigned hereby agrees to indemnify and hold forever harmless the City of Sugar Land, its offices, and employees from any and all claims or causes of action alleged to have been caused directly or indirectly by the electrical pre-release for which this application is made.
