HELP YOUR Neighborhood

Tool Trailer

Invest in your community. Gather neighbors and friends together to schedule a "street" work day to make repairs and provide necessary property maintenance to enhance the appeal of your neighborhood. Tools are provided to groups free of charge.

Pressure Wash & Paint Trailer

Need to pressure wash or spruce up the exterior paint on your house? Organize a neighborhood project and help neighbors improve the appearance of homes on your street. All you need is the paint. Equipment is provided to groups free of charge.

Painting Kits

Need to refresh or create address blocks along the street fronts of your neighborhood? Contact Neighborhood Services. Equipment and supplies are provided to groups free of charge.

We are exploring new ways to strengthen our community and would love to know if you are interested in getting involved! Whether you have time to spare, specific skills, or even just some ideas, your involvement would be greatly valued!
