II. Please attach a list showing each motor vehicle, by make, model and body style, to be used in the City.

III. Please attach a copy of the certificate of liability insurance for each motor vehicle identified in II. above in the amounts required by law.

IV. Please attach the license fee payment in the amount of \$212.76.

V. Please attach a copy of the liquid waste operator's permit and/or registration issued by the TCEQ under 30 TAC §312.142.

License Regulations

In addition to the other applicable requirements in Chapter 4, Code of Ordinances, and other City ordinances:

- Each liquid waste operator must keep for two consecutive calendar years all scale house tickets, receipts, invoices, manifests, and other documents evidencing the collection within the City of liquid waste and the facility where the liquid waste was delivered.
- Within 30 days following each September 30, December 31, March 31, and June 30, each liquid waste operator must submit to the City's Environmental & Neighborhood Services Department quarterly reports:
 - Detailed by month showing the total liquid waste gallons and tonnage collected by the liquid waste operator during each month of the previous quarter;
 - That include the list of names and addresses of the disposal location(s) of the liquid waste collected within the City

during the previous quarter;

- That include the total amount of liquid waste delivered at each disposal location each month of the previous quarter;
- That show the gross revenues earned each month within the City during the previous quarter;
- That include, in table format, the customer's name, address, number of containers serviced, container type, size, and service schedule or on-call service; and
- That includes any additional reports reasonably requested by the City for the time period requested.

License Fee

- Each liquid waste operator that has been granted a license under Chapter 4, Article V of the City's Code of Ordinances must pay a license fee equal to five percent (5%) of the operator's gross revenues from the collection, hauling, or transporting of liquid waste collected within the City.
- Each liquid waste operator must pay the required license fee quarterly to the City within 30 days following each September 30, December 31, March 31, and June 30.
- Each quarterly payment must be computed on the revenues for the quarter preceding the quarter in which the payment is due.
- Each liquid waste operator must provide with each quarterly payment a statement of the gross revenues upon which the payment is computed, prepared according to generally accepted accounting practices, and signed by an authorized representative of the licensee.
- Each quarterly payment must be accompanied by a listing of the locations serviced by the liquid waste operator in the City;
- Late payments are subject to a late penalty of ten percent per annum, compounded daily.

Agreement

I, _____, as authorized representative and on behalf of the liquid waste operator named above,;

(1) Certify, under penalty of law, that the information submitted is to the best of my knowledge true, accurate and complete. I

further certify that I am authorized to submit this application and to bind the liquid waste operator named in this application;

(2) , Certify that I have read, examined, and fully understand this Liquid Waste Operator License Application and Chapter 4, Article V. Commercial Solid Waste, Liquid Waste, and Recyclable Materials Operators of the City of Sugar Land Code of Ordinances; and

(3) Agree that the above-named liquid waste operator will comply with Chapter 4, Article V. of the City's Code of Ordinances, all other City ordinances, and state and federal laws and regulations governing (i) the collection, hauling, processing, and disposal of liquid waste and (ii) the liquid waste operator's activities.
