

Demise of Sugar Land School on Lakeview

According to an excerpt from Sugar Land, Texas and The Imperial Sugar Company by R. M. Armstrong, "... [T]he original semicircular school complex on Lakeview had become impractical (by the mid 1960s.) It was crowded, the central heating systems for the individual buildings had become costly to operate, and all the flat roofs needed replacement. The individual buildings did not lend themselves to the new air conditioning systems."

Money Magazine and CNNmoney.com rank Sugar Land as one of America's Best Places to Live.
